**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider (Sonic) for my internet. It is affordable, fast, and I am very satisfied with it. This is a fiber network; my previous provider was a DSL, which was slow and expensive. Sonic also is a competitive telephone service.

I strongly support broadband competition, which insures the speed and affordability of internet and telephone services.
